4. In sub-section (1) of section 26 of the principal Act, after clause (c), the following clause shall be inserted, namely:—

“(cc) specifying the terms and conditions of service including the scales of pay of the officers, employees and teachers of the Universities under section 12C;”.

STATEMENT OF OBJECTS AND REASONS

Under the University Grants Commission Act, 1956, the Central Universities are not obliged to follow the pay scales and terms and conditions of service of their teaching and non-teaching employees prescribed by the University Grants Commission, from time to time.

2. Certain Central Universities have modified the University Grants Commission scheme regarding pay scales and terms and conditions of service prescribed by the Commission. To empower the University Grants Commission to specify the scales of pay and terms and conditions of service of teaching and non-teaching employees of Central Universities, the Act is being amended. A new section 12C is proposed to be inserted in the Act for this purpose. Amendment to section 26 of the Act is of consequential nature.

3. The Act provides for penalty for using the word "University" and thereby awarding degrees by the institutions other than recognised under the Act. It is proposed to enhance the said penalty as it is meagre by amending section 24 of the Act.

4. The Bill seeks to achieve the above objects.
